Stuart,

What a special treat! Thank you so much for taking the time to share w/us your wonderful collection, magnificent artwork, incredible research and extensive knowledge w/us.

Thank you two for your generous offer to provide prints of one of your pieces for donors of \$1,000 or more to the Schele Chair. When we have determined how best to utilize them, I will be back in touch.

In the meantime, you may receive a call from Bill and Bettye Nowlin, the couple who are building the home w/many features from Maya temples — they are seeking a muralist for this project and Nikolai thought you might be able to suggest someone or that you and Scott might be interested. Regards, Karen Payne
