Wild Things Second Annual Spring Fundraiser

The second annual spring fundraising party for The Nature Conservancy of Texas, held recently at the beautiful home of **Gerald J. Ford**, was again a sell out.

The event raised \$220,000 (twice the amount raised last year). "Wild Things & Wild Places" celebrated the Lone Star State's abundance of natural beauty as well as the plethora of endangered animals.

Chaired by **Vera and Bob Thornton**, the "totally wild" evening enjoyed an "A-list crowd."

Seen here are **Barbara and Sheldon Stein**, **Barbara Garton** with **Claire and David Pasahow**.
