

The Jane Goodall Institute

22 June 2001

Dear Stuart -

It was really terrific, having the opportunity to be with you again - and, finally, to see the portrait. It all happened so long ago I can hardly remember sitting for the photos!

I'm very excited at the thought of some numbered - no, sorry - the unlimited edition, for fund raising purposes. And I know Mary will follow up on that.

I'm also thrilled at the prospect of a fund-raising dinner - camp-out - whatever we want to call it.

"Event" is the safest.

I'm sorry things didn't go so well with Ed. After so long a friendship - & all the

support he gave us - until 2 years ago.
Don't know what happened. Now I
know why he's upset - as of last week
he's upset because I'm upset that my
name was still all over the Fort Worth
Zoo. Even though they discontinued
our program about 5 years ago.

Never mind. We'll all get on with
our lives - & I'm so pleased that
we have the opportunity to do
some collaborative fund raising to
'make the world a better place for
all living things.'

Please give my love to Ralph.
And also to Scott - sorry we didn't
get together, all of us.

Thanks for everything - for
hugging your fabulous portrait to
the hotel, & for your ideas

With love

Jane
