Hello Stuart,

Enclosed please find (2) tickets to David Sibley's Lecture at the Dallas Museum of Art's Horchow Auditorium at 2:00 p.m. on Saturday, November 3. It would be great to see you Stuart, so I hope you can make it.

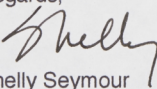

I gave your phone number to Pam Carranza, who is coordinating programs for the Dallas Audubon's general meetings next year. So she'll be calling you soon to talk to you about doing a lecture for Dallas Audubon.

I called John Graves recently, and you were right. When I asked him if he'd come to Dallas to do a program for Dallas Audubon, along with you, for "Of Birds and Texas," he replied, "It's awfully hard to get me out of these cedar hills." I relayed this to Jane and she responded, "It's hard to get him out of his chair!"

Jane also said your book is beautiful. I can't wait to see it.

That's all for now. My brain is very tired tonight. I'll be out of town for work from Wednesday to Friday night, so if you have any questions, call me on my cell phone, 214-215-1733.

Regards,

Shelly Seymour
