Dear Stewart and Scott:

Just a note to let you know how beautiful your new book is. I just got my copy and have gone through it, and was delighted to see that you had added much new information and pictures to it.

I am pleased that you were able to get it out in such a beautiful format and wish that the Texas State Historical Association had had the funds to do such a spectacular book with you.

Have you published your book on the Aztecs? I notice you mentioned it in the new introduction, but I haven't seen it if it is out.

Congratulations on a spectacular job. Give me a call the next time you are town.

Best wishes.

Sincerely yours,

Ron Tyler
