

Dear Stuart,

Well it was nice to know we are
both still alive — so good to hear
from you.

The book sounds great and of course I
will expect to have it properly inscribed
to your old friend by you and Scott

My major endeavor for some time has been
working on my old bungalow and now I'm
also working on the yard — when finished
I want you to come and see it.

Wishing you and Scott a merry Christmas
and Happy New Year.

Warmest Regards
Pen
