Dear Stuart:

I am almost too embarrassed to write this letter because of the length of time since you asked me if I would like a copy of your and Scott's bird book. Of course I would like a copy! It is very flattering that you would consider making a gift of the book that represents such a huge work product of your long and prominent careers.

Since the book was, in part, a product of the University of Texas, I will accept the gift provided you tell me how I make a gift to UT in your names. I would like to be a contributor to the Gentling Scholarship in Art at Austin. Give me a call.

With highest regards.

Robert A. Sewell

P. S. The prints will fit beautifully in our home, which is already dominated by Gentling prints... including some original butterflies by Suzie.
