Dear Mr. Gentling,

In the late 1960's my father-in-law, Jack
O. Lusker, purchased from you a painting,
"Road on McWay Ranch". That painting
now hangs in our entrance hall.

My homeowner's policy is now being updated
and I would like to include the painting
in the new coverage. However, my ~~home~~
insurance company requires a written appraisal
before it can be covered. Would it be possible
for you send me a written appraisal so that it
can be covered? I would very much appreciate
it if you would do so. If you ~~will~~ ^{would} ~~not~~ ^{could}
decide it, my telephone number is 505-625-1333.
Thank you very much.

Sincerely,

W. Edwin Pace
