Subject: Trammell Crow Dry Brush Watercolor

Hello, Messrs. Gentling:

You probably don't remember me, but I met you several years ago following your completion of a water color portrait of Mr. Trammell Crow which was hung in our Board Room in Trammell Crow Center. That painting no longer hangs in our office, but a painting you did of him earlier is hanging here now. It depicts Mr. Crow in a brown jacket and tie, seated in a dark blue armchair. Since that painting also will be removed from our office shortly, we are interested in exploring the idea of having a photographic copy to replace the original work. Could you please let me know if you would approve of our doing this and what fees might be involved?

Thank you very much for considering this request.

Sincerely,
Barbara Bower
