Nancy Holmes

My dear Genlings -

What a beautiful studio! I am so disappointed, I can't be in "Fort Wee" for the open house - the photo is a beautiful "end-of-project" - you can be sure I'll call for an appointment when I come home - it will probably be in late November -

I think so often of that wonderful Sunday afternoon in the patio with you three and the Selanys - it was such a treat for me!

My love always,  
Nancy
