

in your Ranch dining room. Let me
know when you would like to
receive the paintings and I will
bring them down. I've told my Girlfriend
money about you and she would
like to come with me. After our visit
we will stop in San Antonio for a
day or two to do some museum hopping
and river walking. He also want to
visit a few of S.A.'s nearby missions
to get perhaps a few ideas about mission
architecture. Scott and I are currently
building a peristyle garden at my
new studio that I think is going to
be magnificent!

If you are pleased with our painting,
I would be delighted to receive the
balance of your Commission payment. Our
building project is a ~~black hole~~ for
money pit and your payment will
be greatly appreciated.

When I come to the ranch I will
bring some of our written comments
on your paintings with our thoughts
and handwritten notes on each picture.
