Dear Scott,

Please excuse this tardy
response to your elegant letter.

You have been in ^{my} thought
and I hope things are going well.

We have decided to add
our modest collection to an
institution that might enjoy it

Most museums would not
be interested as they are catering to the
likes of WARHOL competing for his glory.

any way we found a museum we
liked and they seem to like us Herndon
Museum of Art, Reno, an institution that
really functions as a community center.

In the meantime we will
continue enjoying the elegant
works of art ie Bentons, Arnolds / The
Rosen Crans and your Apple letter that
only you could render.

I have a small part in
a movie coming up in '09 called
DRAG ME TO HELL. Gene gang joins me
in sending our best,

Shirley
