

Dear Gentlings,

Thank you so much for the wonderful emblem design you did for Camp Fire's Texas Sesquicentennial service project! The recognition emblem will be treasured by youth members across our Council for years to come!

Camp Fire is so proud to be one of the purchasers of your extraordinary work! We know the Museum of Science & History will enjoy having all of the paintings of native Texas birds.

Again, thanks  for your help!

Sincerely,
Si SK

First Texas Council of Camp Fire, Inc.
