

Helen Campbell Alexander

Dear Stuart,
 Sorry to only be seeing you at
 funerals of late and hope that the
 next time our paths cross it will
 be under happier circumstances.

When I got home I went
 looking for your book that accomp-
 anies the "Birds of Texas", but
 do not seem to have it! On
 reflection I think I have seen
 it at Cira's, but never actually
 received one from you. I love the
 paintings and would love to have
 a copy of the book.

Cira has quite a few of
 the images framed in her house
 in Sisterdale and they look just
 fabulous there!
