Dear Stuart,

How very kind of
you to write a letter
about the Ike head. It
is an acquisition
about which I am
extremely proud.

There is nothing of
its quality, or even
kind, elsewhere in
North America, and
our piece ranks with
the best in London,

Berlin, & Nigeria.

I think we were
fortunate to have the
opportunity to get
it.

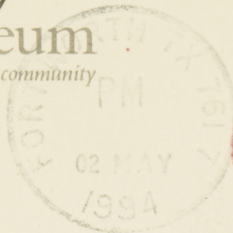

Your words of
appreciation are
most encouraging,
and I shall share
your views with
my Board & staff.

With all my very
best to you & Scott,
Always, Ted
