Dear Stuart, Nov. 5

Thanks for your
kind note. I am glad
to have an idea about
the plans for the
opening of the new
Baro Hall, and I trust
your art work^{there} will
be complete at the
time the Hall has its
debut in 1998. We
should talk further
how the display/
program at the K.A.M.

will relate to the
Kimbell collection
+ educational scope
on the one hand

and your work as

artists/designers/scholars/
archaeologists/collectors

on the other. Our schedule
in early '98 is heavily booked.

In any event,
we all are excited
by your program scheduled
for Dec. 9. We

should all meet for

lunch at noon. If
there is anyone that
we should include,
please invite them or let
us know. All my best, Fred
