Dear Mr. Gentling,

At last my book searcher
has unearthed a copy of the
Ind book which I send on to
you - small Thanks f. free gift
to me.

Some time back I sent you
a xerox of the print of the Great
Crow Blackbird as it appears in
the Ind book. I wonder what
you think of this curious print

because as you see although the
Ind's title says "Engraved by Alexander
Lawson" when you closely inspect the
print as it appears in the book it
clearly says "Engraved by W.H. Lizars".
Not having heard from you I fear my
letter to you with the X-ray must have
gone astray. If you have a minute
do drop me a line and tell me what
you think about this.

With all good wishes,

Frederic D. Law

(Mrs. Francis H. Law.)
