Dear Gentlings,

Thank you for our time and courtesy during our visit to your home and studio in Fort Worth. I believe we are at the stage in our design where we can now ask for bids to produce mural that we need. The Houston Museum of Natural Science, (HMNS) requests that The Gentling brothers submit a proposal to provide services as detailed below.

Scope of Work

Mural of the Aztec city Tenochtitlan as specified below.

1. Mural Size is slightly larger than when we first talked 6'6" x 37'
2. View angles and perspectives are based on our discussions, and as request sketches of different perspectives will be provided to determine the correct vantage point.

Schedule

The Hall of the Americas is scheduled for a June 1, 1998 opening. The HMNS requires that the mural be delivered no later than May 1, 1998. This will allow enough time to install and properly light the mural.

Budget

Please provide a price for the mural with an estimated time for delivery.

Thank you for your time and attention.
