Dear Scott:

Please find enclosed a check for \$5,000.00 for the remainder of the Trammel Crow portrait. It has not been presented to Mr. Crow at this time but Mrs. Crow and staff loved it.

There are several things working concerning your art. But more important at this time, is that, when you get a landscape painting, I think I have it sold (i.e. money in pocket). So please keep this in mind, especially when you have some spare time.

Respectfully,

Gene Amend
