Dear Ralph:

I spoke with you earlier this spring regarding the possibility that the Gentlings might be willing to work with us again on a commission portrait. I would like to get a final answer as to whether or not they want to take that commission.

If they are not, I would like to find somebody else, but the Gentlings are my preferred choice. I would like to get a painting with my boys before they get to a different age.

I would appreciate you letting me know.

Sincerely,

Harlan Crow
