

Dear Vicki - I hope you will understand the ^{letter} spirit in which my ^{is} Scott and I are not out to cause ^{any} trouble. In fact we will continue to work for P.A.W. whether or not we do get paid. I do need to know, however, if ~~that~~ we can expect a check or not. If not, we are going to have to look to other means for income.

I think you know that we have nothing but the best wishes for the success of the Theater, and now that we have received assurances that we will be listened to more closely we will do everything possible to make the the building a success.

Best wishes as always.
