Dear Scott:

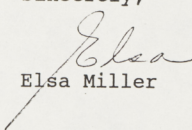

Mr. Crow is presently out of the City, but he has been trying to reach you to talk with you and Stuart about coming to Dallas on Saturday morning, February 18, to meet a group of people from the Bohemian Club. This Art Search Committee, of about 20 people from all parts of the United States, is meeting in Dallas, and Mr. Crow is interested in discussing with you the possibility of your meeting with them and showing some of your work.

Could you please give us a call at (214) 979-5112.

Mr. Crow will be out of the office for a week or so, but if you would call me or Joan Harrigan, we can put you in touch with him. Our numbers here in Dallas are (214) 979-5112 or 979-5110.

Many thanks, and we will look forward to hearing from you.

Sincerely,

Elsa Miller

We love the portraits of Mr. Crow - and enjoy them every day!
