Kenneth L. Barr, Mayor
City of Fort Worth
1000 Throckmorton Street
Fort Worth, Texas 76102

Dear Mayor Barr:

Scott and Stuart Gentling have been contacted, several meetings have been held, and the artists have agreed to furnish the City of Fort Worth a painting to assist in celebrating the one hundred fifty year old Birthday of Fort Worth in 1999.

The artists will provide Fort Worth with a painting representing an historical part of the City's past, sign prints published of the original painting and assist the Mayor's Office in promoting the sale of the prints.

The enclosed proposal lists the details of the painting, prints and possible revenue to be obtained by the sale of prints and posters of the original piece of art.

If there are any questions concerning the proposal please contact me.

Sincerely,

E. Ralph Carr
