

PLATE XVI

Wild Turkey 29½" X 38½" w/c

A young turkey cock portrayed life-size strides across the rocky open ground against a Central Texas " Cross Timbers " country landscape.

PLATE XVII

Purple Gallinule 26" X 20" w/c

A medium-sized blue and green bird emerges from a bank of water hyacinths and steps on the skull of an alligator.

PLATE XVIII

Burrowing Owls 20" X 26" w/c

Two Owls stand at the edge of a bluff of red earth. Below them is an armadillo digging in an old burrow. The background shows desert county and blue sky.

PLATE XIX

American Woodcocks 20" X 26" w/c

A pair of these birds in flight descending against a stormy sky. In the background is a marsh and a dark wooded landscape.

PLATE XX

Acorn Woodpeckers 20" X 26" w/c

Three small greenish-black and white woodpeckers cling to the trunk of a Sycamore Tree with brown leaves. The background shows blue sky and white clouds.

PLATE XXI

Roseate Spoonbill 20" X 26" w/c

A large pink bird is perched on a branch rising out of the water. The background shows the Gulf of Mexico with an island in the distance and a grey sky.

PLATE XXII

House Wrens 20" X 26" w/c

Two small brown birds are perched on a pair of cowboy boots.
