Dear Laura:

I was pleased to receive your letter and the transparencies of the barn swallow. I should be most pleased to make a brief statement.

You have a great decorative touch as evidenced by the paintings I saw in Colorado and also in the transparencies which you have so kindly sent me. I am sure you will soon find yourself in the mainstream of bird illustration and bird art. You obviously have all of the initiative and talent to make that possible.

Sincerely,

Roger Tory Peterson
