Fine Prints, Paintings and Framing

From the Desk of Katherine Burck

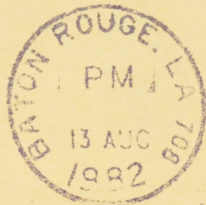

Dear Stewart,

Thank you for keeping us posted on you progress with your book. It sounds as though you are doing tremendously with it and I wish you the best of continued success with it. The prints that you sent were absolutely beautiful. You had mentioned in your letter that I could pick which ones that I would like and I certainly did. I wanted to express my thanks for the prints; they will have a very good home!

Once again, thank you for keeping us posted on your progress and best wishes.

Sincerely,

Katherine Burck
