Dear Stuart,

Just a note to say that time doesn't often allow me to keep abreast of my correspondence. Sorry for not keeping in touch. I wanted you to know, though, that I am ready to proceed with the project at your convenience.

I like your idea of the wooden box with drawers. There are several fine carpenters in Austin and if you'd like me to get a prototype made here, let me know.

Hope all is well.

Sincerely,

David Holman
