

June 21, 1984

Dear Stuart:

After talking with the typesetters in San Francisco, I can give you a firm figure of \$93,500 which will include everything for the portfolio except for the paper, and everything for the book. I need \$25,000 down, \$25,000 upon receipt of the manuscript, balance upon completion. Good luck in finishing the paintings, and I'll talk to you soon.

Best,

A handwritten signature in dark ink, which appears to read 'David'.
