Dear Mr. Gentling:

Now that all the flurry of activity on the possible Audubon acquisition is over, I wanted to take a minute to respond to your very good letter of 14 May to Steve Runnels. We very much appreciate the apparent deep interest you have in the Museum. We also deeply appreciate your suggestions and observations.

It is certainly a pleasure for us to be able to work with you. We are great admirers of your and your brother's work and are proud to have an association with you.

I look forward to meeting you one of these days. In the meantime please accept once again our sincerest thanks and appreciation.

Cordially,

Louis F. Gorr
Director
