Dear Stuart:

I am shipping to you today by Purolater six prints for your approval. I have included the invoice with the prints.

I am starting today on another so that the prints should be coming to you quite regularly now. I hope that we can have the book out before July. That would be a wonderful red letter day for all of us.

Looking forward to having the approval so that I might pack up the six prints, I remain,

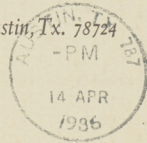

Most sincerely,

A handwritten signature in dark ink, appearing to read "Dave H", with a long, sweeping horizontal line extending to the right.

David Holman

P. S. Also in the package of prints for approval will be some Chromalins for you to approve as well.
