Dear Stuart:

We have finally finished the two-part label. No wonder David said he would let me and his dad take care of that part of the book! Anyway, what I need now is how many do you want me to take over to Craig Jensens and how many do you want me to ship up to Fort Worth.

Next, I need to get David's press out from under the liens. I have filled mine out on the first lien and I have typed up yours for the second. Would you please sign these forms and return them to me? Thanks!

We are all feeling good with only a few more pages to do until the final page is printed for OF BIRDS AND TEXAS. What a wonderful day that will be. I know you can identify with our joy at that aspect.

So, waiting to hear from you on these two items, I remain,

Most sincerely,
