HOUSTON, TEXAS 77027

Dear Mr. Gentling,

I recently visited the Parkway Mall in Austin to shop for Audubon prints. While there, I happened to read your report on the Great Crow Blackbird print by Audubon. Because I am collecting Audubon-related writings as well as Audubon prints, I was wondering if you would happen to have a spare copy of your report. If so, I would greatly appreciate receiving a copy.

Thanks,

John Adkins
