Gentlemen:

I read with great interest in the January edition of Southern Accents about Of Birds and Texas. I have an engraving of Audubon's Great Crow Blackbird. It indicates that it was painted by an Audubon and a Mr. Rider and engraved by Lawson.

I assume this is an engraving of the original painting which you have.

Do you know how I might authenticate its provenance and whether any dealers or individuals might have a particular interest in the engraving?

I hope this inquiry is not an imposition and I look forward to seeing a copy of your book. I have written Mr. Carr to ask for information on how I might examine one.

Thank you very much and congratulations to you on your achievement.

Sincerely,

Pegram Harrison
