Fine Prints, Paintings and Framing

Dear Stuart,

Thanks for calling and filling us in
on the success of your books. That is
wonderful, - all that hard work is paying off.

I am enclosing two Audubon price
lists for you and your brother. We do
have some good plates left, such as plate 31,
the Eagle on the catfish, and the Eider Duck
and Mergansers. If I had another Audubon
Hard book, I would send one to Pete. If we
happen to find one more, I can mail one
if you would like

— That was good of you to have presented
Taylor Clark as he really is instead of a
convenient fabrication. Thank you for the courtesy!

Let me know about that Amsterdam Set.

Best wishes,
Katherine Rutledge
