Dear Robinsons -

Scott and I would like to thank you and all the members of the Colophon Club for the delightful evening we shared with you last night. Everyone was so gracious and, I think, genuinely interested in us and our project. You have no idea how flattered we felt by the fact that we were your first speakers for this season. The list of upcoming lectures and field trips makes me realize that we have been placed in very good company. We would certainly like to become members of the Colophon Club so that we might attend some of these programs. I would certainly appreciate it if you could send me the needed information and registration material.

I am sending you the five brochures you requested as well as some more background information for your files. Feel free to Xerox any of this material or use it in any way that might be helpful. If Scott or I can be of any help whatsoever to the Colophon Club or to you personally, please do not hesitate to call. For the meantime I hope you and Morgan enjoy your watercolor remembrance of the Ruby-throated Hummingbird.

Again let me express our gratitude for your hospitality and your interest. I hope this is just the beginning of a long personal and professional relationship.

Warmest Regards,
Gent
