PHOENIX, ARIZONA 85013 85010

10/8/87

Dear Stuart,

That which is herewith enclosed does the duty of payment for your great volume which I had a chance to see at your uncle David's home.

Also for your information, whether or not it be of use for your future work is the title of a book by my nephew Jose Arguelles called "The Mayan Factor".

Indeed I thank you for the autographed prints.

Most Sincerely

Wallace M Meyer, M.D.
