Dear Stuart:

I have finally made a copy of the text from Of Birds and Texas for myself and am returning yours.

I would also like to take this opportunity to tell you about a program that we have coming up in November of 1988 to see if you might be interested in participating in it.

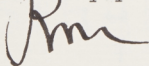

We will be hosting the 21st annual meeting of the North American Print Conference, November 9, 10, 11, and 12, 1988 and are looking for programs on prints of and about Texas. Someone suggested that it would be an interesting program perhaps to have you and David Holman on a session to talk about the conception and production of your bird book.

I will send you an announcement of the call for papers as soon as I have it out and would like to talk with you about this if it sounds as if it might be of interest to you.

Thanks for lending me the copy of your galleries for so long.

Best wishes.

Sincerely yours,

Ron Tyler
