Dear Scott and Stuart:

On behalf of the Board of Trustees of Armand Bayou Nature Center, thank you so much for the donation of your most beautiful book, *Of Birds and Texas*. It was a wonderful contribution, and it added greatly to our benefit on October 30th.

Mrs. Johnson was quite entranced by it, and I am sure that you will have all sorts of inquiries about it because of the many interested people who saw it here.

We are so sorry that you were not able to attend the benefit. It was very successful in every way, and we are very grateful to the two of you for helping to make it that way.

If you are ever in the Houston area, please call and give us an opportunity to show you Armand Bayou Nature Center. I have enclosed programs of the evening for your files, and I hope that you will have an opportunity to see what a beautiful evening we had.

With best wishes,

Harriet Calvin Latimer
