

Barbara and I would do the following in exchange:

1. Rewrite and edit the copy for the announcement.
2. Do the graphic design for the announcement
3. Pay to have the type set, pasteups made & negatives & Plates.
4. Pay to have one color separation made for the front
cover of the announcement. You are to supply a good transparency.
5. Purchase and print 1000 copies of the announcement
in a french fold manner as per enclosed sample.
This would be a four color pressrun
6. We would pay to have the announcements folded
7. We will design, purchase the envelopes and have
1000 of them inted with your return address
(Question: do you have a bulk number or do you
plan to mail them out first class--which, in our
experience is preferable)
8. Deliver the announcements and envelopes to your
address in Fort Worth.

For this time, expenses, professional advice and experience we would like to have 6 of the autographed signed copies of the book.

We would like to pick up 4 of the copies during our next trip up to Amon Carter - where we are to deliver a large job which Bill has designed and David printed.
