Dear Mally —

Here is a Xeroxed copy of
our letter to prospective contributors
of bird paintings. Also included is a
list of the people who are receiving
the letters. Ralph is really the one
in charge of this effort, and he will
be calling you shortly to give you an
update on our project.

By the way, Scott wants Garland
to sit for a portrait photo as soon as
it is convenient for him (Garland). Scott is
serious about this.

Hope to see you soon. We
hosted from the other night at Bill and
Carol's.

Best —
Aunt
