Dear Flemings,

Denny Ingram has passed the word along that you might be interested in purchasing a copy of our book Of Birds and Trees. We have just completed publishing a full-scale prospectus with book reviews and commentary by important art and book people which we are now sending to major libraries in the rest of the United States and abroad. In fact Denny has not even seen most of this material. I know that he has already shown you his copy, and I hope you enjoy this mailout and the signed print which we are sending along. If you have any questions, please do not hesitate to call me. My home (and studio) number is 817-738-4427. Please feel free to call me at any time. Say hello to Ann and Denny for me.

Best wishes
Howard Gentling

P.S. I might mention that there are less than 60 books left that are for sale to the general public, and all sales are honored in the order that they are received.
