Dear Mr. Morgan,

Mr. Fred White Jr., bookseller at Bryan, Texas suggested that I contact you about a book which we recently published entitled Birds and Texas. The accompanying prospectus will give you a good idea of its size and format, though nothing quite takes the place of seeing the book itself. Mr. White is very familiar with this publication. He has sold books to the McIlhenny Collection and Co., I think, offer an objective opinion about the paper's quality, interest and beauty. I am also sending along several pages of critical comments by important art and book people which will give you a good idea of just how well Birds and Texas has been received.

If I can be of any help, please feel free to call. Our telephone numbers are: 1-817-332-7059 (with answering service), and 1-817-738-4427. We do hope that you enjoy the color plates. They are signed and look quite handsome when framed.

Sincerely yours

Harold Gentling

P.S. The Audubon discoveries which we made are directly related to his Louisiana experiences, and I think you will find them most interesting.
