Dear Stuart:

I am enclosing a copy of the tentative program of the twentieth North American Print Conference. Please check the spelling of your name, the title of your paper and session, etc., to be sure that everything is correct. If not, please let me know immediately, because we must get the program to the printer soon.

As I indicated earlier, we will be able to pay you \$150 for presentation of your paper at the conference and for publication rights in the proceedings of the conference. The fee will be payable when we receive a finished copy of your paper for publication. I would appreciate receiving the paper as soon after the conference as possible so that we can begin work on the publication.

I am enclosing a form for you to return with your Social Security number and indicating the audio visual equipment that you will need for your presentation. Please return it as well.

I am delighted to have you on the program and look forward to a very successful conference.

Best wishes.

Sincerely yours,

  
Ron Tyler
