

"OF BIRDS AND TEXAS"

PURCHASE CONTRACT

I wish to purchase an autographed first edition copy of the book entitled "Of Birds and Texas," which will contain a text written by John Graves, an introduction by Stuart Gentling and no less than 35 facsimile reproductions of paintings by Scott and Stuart Gentling. The book will be printed on the finest paper that is PH neutral and acid free. The edition limit of the book is 500 copies, plus 25 artist's copies, and the edition limit for each reproduction contained in the book is 750 copies, including the copies used in the books. The original issue price is \$2,500, plus tax for residents of Texas, and the cost of packing, insurance, and shipping. As with many fine art editions of the Imperial Folio size (22" x 28"), this book will not be bound but will be contained in a fine handmade linen-covered box that is also acid free. The book is being published by The Gentling Book of Texas Birds, a joint venture between Stuart and Scott Gentling. The Gentlings may later publish a smaller hardbound edition of the text and reproductions contained in the book.
