Dear Joan:

Sincere thanks for your fine report on the Gentling Twins
and their mammoth collaboration, "Of Birds & Texas."

Your piece captured a wealth of information on this artistic
and literary achievement and still conveyed their unique
personality. (And perhaps the singular is correct.)

I hope another opportunity will present itself to work with
you. Please call me if you feel I can be a source or
assist in some way.

Warm regards,

Preston F. Kirk, APR
