December, 1987

If you have a few moments to spare during this busy holiday season, please make at least a brief visit to the **Fort Worth Museum of Science and History**. While you are there, observe the faces of the children who are learning about yesterday's accomplishments and tomorrow's possibilities.

Keep in mind that many of these children are able to attend the Museum because members of the community such as you have generously made contributions to the Museum to keep it free of admission charge.

Help us allow thousands of children to attend the Museum's exhibits for another year by making your **tax-deductible year-end contribution** to the **Museum Associates Program**.

My fellow trustees and I thank you in advance for helping the Museum continue to educate tomorrow's leaders.

Sincerely,

*W. Elray Howard*
