Dear Stuart and Scott:

The enclosed check for \$105,512.80 completes the Museum's obligations under the agreement dated October 31, 1985, modified December 12, 1989, for the purchase of your 40 paintings *Of Birds and Texas*.

We are pleased to complete this purchase, even though the Museum must still raise substantial funds to fulfill the need. In conjunction with our fund raising efforts, we are also planning for a traveling exhibit that will give the collection and the Museum national exposure.

As you know, three of the paintings require minor touch-up work, as the result of a paper tear and paint flaking. We will let you know as early as possible when the framing will be done on those three paintings so you can do your work on them. For the moment, the framing is on hold because T. Lindsay Baker left the museum in December to accept a position at Baylor University. We hated to lose T. Lindsay, but it was an opportunity for him that was too good to pass by.

Sincerely,

Donald R. Otto
Executive Director
