Dear Sandy,

I will ship Carol May's
book to her as soon as I receive written
acknowledgement of my gift (valued at
\$5,500.00) from the Texas Audubon Society.

Ms. May's name was not the name of
the purchaser given to me on the night
of the opening so I want official written
confirmation before I ship the book. I
would also like to know what it
sold for at Auction. I requested
all this information some time ago.

You may fax the information
to me, but I also want an official
copy on TEXAS Stationery for my records.

Thank you
