Dear Stuart and Scott:

I enjoyed my visit to your studio and the wonderful opportunity to meet Stuart and see your art work.

I am very pleased at your willingness to work with us for Audubon's 100<sup>th</sup> anniversary celebrations. I cannot think of a more fitting partnership and I believe that we will all greatly benefit.

Please excuse my quick note but I did want to capture our discussion in writing immediately.

Things are beginning to fall into place. To bring you up to date :

The Director of Exhibits, Dennis Gabbard, has agreed to a one year traveling show of your paintings. Texas Audubon will pay them a fee for this and we will seek donations for these costs.

We would like to show them in Bass Hall at the time of our reception on March 5<sup>th</sup>. We are following up on this. [The Fort Worth Museum is booked and is not able to have a show].

I have booked a show at the Memorial Museum in Austin for the month of June. We have also booked a show at the Bullock Library at College Station.

We are also looking into the following venues:

San Antonio - Blue Angel  
Corpus Christi - S. Tolson Museum  
McKinney - Heard Museum  
Brownsville - to be determined - Fall/Winter  
El Paso - to be determined  
Pan Handle - Lubbock, Abilene, Amarillo  
Houston/Galveston - Moody Foundation?  
Dallas - Arboretum?

Lastly, we have approximately 30,000 members and we will be doing a direct mailing to them in the Spring and Fall of next year. We could offer your coffee table size book for sale in one of these mailings. We could also seek to have them advertised in the National Audubon Magazine. And, perhaps have an article about you both as well.

I look forward to hearing from you.

Sincerely,

Catriona Glazebrook
