Dear Ms. Sloss:

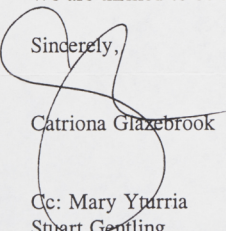

It was a pleasure speaking to you today about having the Gentling's paintings exhibited at the Museum from November 15 - December 31st 1999.

As we discussed Texas Audubon will cover all travel and insurance expenses, and we will assist in planning the reception which will occur on Sunday, the 15th.

As we get closer to the date we will discuss the plans in more detail.

We are thrilled to be able to bring this wonderful exhibit to Brownsville.

Sincerely,

Catriona Glazebrook
